# Flexibility and Core Conditioning ® -

Designed for both hyper-mobile dancers looking to control their flexibility and for dancers looking to safely gain better splits, bridges/chest stands, and tumbling, this class focuses on increasing the extensibility and neuromuscular efficiency of muscles through active flexibility and end-range control training. A typical class includes a dvnamic warm-up, soft tissue preparation (foam rolling), and muscle activation and strengthening. The class also focuses on strengthening the core "powerhouse" muscles necessary for body control and stability. NEW for 2018! Additional June
